Evangelical Ministerial Association

Address: 419 Poinsettia Ave., Lehigh Acres, FL 33972

Phone: 239-368-1220

Year joined Community Council: 2009

Why the Community Council is important to you and Lehigh:

The Community Council is the only organization that provides any
semblance of community government to give some direction to this

community. It provides lobbying power with the County Commissioners, without
which we would be totally ignored. The council brings together those various

entities that serve this community and helps them to function with synergy. It is
my joy to represent the efforts of the Sheriff's Office on the council.
